DAY 1 - ISTANBUL - ARRIVAL DAY

Meet at IST/SAW airport & transfer to your hotel. You will be given your room key and the rest of the day is yours to explore Istanbul. Overnight in Istanbul.

DAY 2 - FULL DAY OTTOMAN & BYZANTIUM RELICS TOUR (BREAKFAST & LUNCH)

Guests will be picked up around 8:00am, and brought to the Sultanahmet district, the oldest, most historic part of the city. The first stop of the day will be the Hagia Sophia, as our tour guide explains the significance of this massive building that was once a Christian church, then a mosque, and now a museum. Afterward, we will pass the Hippodrome of Constantinople, where we will see the site's impressive obelisk, before reaching the Blue Mosque. We should be sure to take pictures of both the interior and exterior of this impressive building. Next, we will continue to the Grand Bazaar, a massive, bustling complex to find clothing, decorative furnishings, food, and more. On the way to the bazaar, we will see other historical monuments, like the Tomb of Sultan Ahmet I, the Firuz Aga Mosque, and the exterior of the Tomb of Mehmed II. After our visit to the Grand Bazaar, we will make a brief stop for lunch. In the afternoon, we will visit Topkapi Palace, the primary residence of the Ottoman sultans for nearly 400 years. Afterward, we will visit the Little Hagia Sophia, the final stop on the tour before guests are returned to their hotels.

The tour guide will give us tips on the best stalls and kiosks to visit so we do not become overwhelmed by the busy market, where we will have roughly 45 minutes of free time to explore and shop. Next, we will head to the shores of the Bosphorus Strait for a cruise, learning about this important, strategic waterway that straddles the Asian and European continents. On our voyage, we will see an impressive showcase of many historic Istanbul buildings: the descendant façade of Dolmabahçe Palace; 15th-century fortress Rumelihisari; the Beylerbeyi Palace, the summer home of Ottoman sultans; and many more.
